

Privacy Policy

This site (kronnect.com/kronnect.me) collect anonymous statistics about your visit, like which of our pages you viewed.

If you sign up with us we take great care to keep your information safe and we'll never share it with others without your express permission.

We never share your data with 3rd parties except to help us deliver our own services.

Measuring our visitors

We measure visitors to our website using Google Analytics. This records what pages you view within our site, how you arrived at our site and some basic information about your computer. All of that information is anonymous – so we don't know who you are; just that *somebody* visited our site.

The information we collect from analytics helps us understand what parts of our sites are doing well, how people arrive at our site and so on. Like most websites, we use this information to make our website better. You can learn more about [Google Analytics](#) or leave the site now if you wish.

Support Forum

To allow visitors to discuss our product articles, issues and feature requests we use a discussion forum system called Single Machines Forum (SMF) hosted as part as our website.
